Rwanda also offers world-class volcano climbing opportunities, conducted for Mount Karisimbi (highest of the eight Virunga Mountains) lasting two days to complete, Mount Bisoke that can be completed in 6-7 hours, Sabyinyo, Gahinga and Muhabura. To visitors who prefer guided treks, try out the 13 hiking trails in verdant Nyungwe Forest National park in the south-west of Rwanda.

OTHER PRIMATE TREKS

Other primate treks like chimpanzee treks, golden monkey tracking and Angolan colobus monkey treks are also conducted in Rwanda. Nyungwe forest alone shelters about 13 primate species which you can discover during these unforgettable primate treks.

CULTURAL TOURS

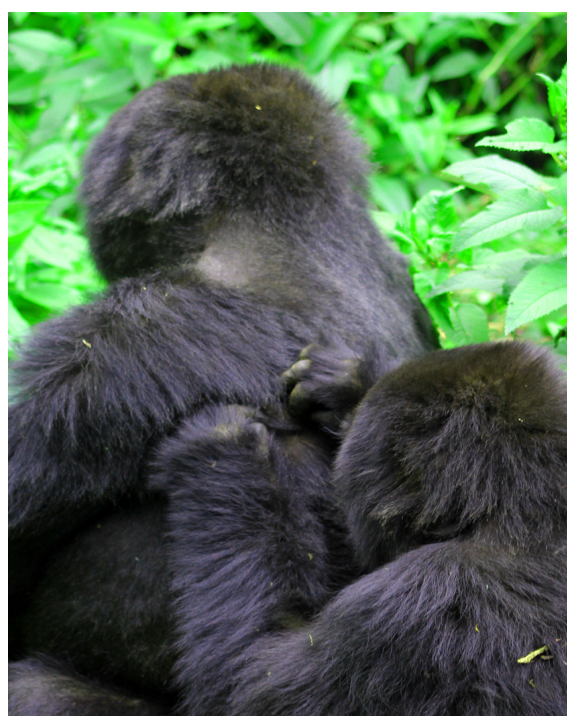

Cultural tours shouldn't miss out on the Rwanda safaris where you will visit Gorilla Guardian Village, Kagano Village, Humure Refugee Village, Ubumwe Community visit and Nyange Communnality among others.

WILDLIFE TOURS

Wildlife tours within Akagera National Park make it possible to come close to big five game (lions, Rhinos, elephants, buffaloes and leopards), Rothschild giraffes, wart-hogs, Topis, Kobs, Burchell's zebras, Hippos, Crocodiles and many others.
